Our Vision

About Me

I'm Ravichandran Raju, a proud TAGDV Life Member for over a decade, living in Pennsylvania with my spouse Krishnaveni and our two wonderful children. Professionally, I work at AstraZeneca, where I was recently featured on the company's LinkedIn page for my volunteer service to our Tamil community — a moment of pride shared by many of us.

My TAGDV journey began in 2015 as a volunteer at the Delaware Tamil School, Wilmington, where I later served as Chief Coordinator leading 200 students and volunteers. In 2024, as Treasurer, I worked with our Executive Committee and President to deliver record community programs while ensuring financial integrity and long-term sustainability.

I have no business affiliations or financial interests — my focus has always been on serving our members with integrity and dedication.

Looking Ahead

- Expand youth and cultural engagement
- Foster collaboration across all regions
- Strengthen transparency, trust, and teamwork

Together with my team, I'm committed to carrying forward TAGDV's proud legacy of service, culture, and unity.

Let's Continue This Journey — Together
